I. Introduction

Off-Campus Housing at Bryant & Stratton College is a community designed for group living, learning, social and academic growth. Within the framework of residential life at Bryant & Stratton College, there are unlimited opportunities for personal growth. A student's growth will depend upon their willingness to accept personal responsibility for taking advantage of the many career, cultural, emotional, intellectual, service, and social programs available.

This Housing Handbook is your reference for living standards, expectations, policies and procedures associated with being a resident in Off-Campus Student Housing. In addition to this handbook, the Housing Contract and Official Catalog also should be read closely as they contain additional information, policies and regulations of the College that are applicable to you.

The apartments that students can apply for through Off-Campus Housing are neither owned nor controlled by Bryant & Stratton College. It is the responsibility of all residents of Off-Campus Housing to read, understand, and comply with the obligations and expectations detailed in this document, the Housing Contract and the Bryant & Stratton College Official Catalog.

Any questions or concerns regarding this document should be directed to the Residential Assistant.

II. Housing Application, Procedures, Rates and Departure

A. Eligibility Requirements, Attendance and Dismissal

- is continuously registered for at least 6 or more credit hours per semester at the College;
- has submitted a completed housing application and sublet agreement to the Auxiliary Manager at the housing complex;
- has passed a criminal background check and has been approved by the respective property owner;

Apartments are limited. Apartments may only be used for residential purposes. No children may reside in off-campus housing.

The College reserves the right to terminate a student's residence status at any time, for any reason and/or to move students between terms in order to condense rooms. Please note that the lease is between the housing complex and B&SC, students are subletting with the approval of the housing complex and the College.

Failure to complete all steps of the application process will forfeit a student's housing space. Rooms are available on a first-come, first-served basis to those Qualified Students who have satisfactorily completed all steps of the application process and have been approved.

Attendance

Bryant & Stratton College stresses the need for academic success. Attending classes to obtain instruction is necessary to achieve successful outcomes. To this end, all Students are encouraged to closely read the College's Attendance Policy as provided in the Official Catalog. Maintaining appropriate attendance pursuant to the College's Attendance Policy is necessary for continued eligibility for off-campus housing.

Conduct, Disciplinary Action and Dismissal

Students who violate any policies of Bryant & Stratton College, including those detailed herein, may be subject to referral for disciplinary action through the Housing Committee and/or pursuant to the College's Student Code of Conduct and Disciplinary Policy, which may result in disciplinary sanctions. Disciplinary sanctions may include separation or suspension from the College, cancellation of the student's housing contract and/or possible legal action. All students at Bryant & Stratton College are subject to the College's various policies, procedures and rules, including the Student Code of Conduct as provided for in the Official Catalog. This includes student-residents of off-campus housing through the College.

Students that are dismissed from housing must move out of the unit immediately and all belongings must be removed within twenty-four hours. This includes situations in which the dismissed student may be appealing a decision.

B. Housing Application, Rates and Payment

Housing Application

A Housing Application is available with the Auxiliary Manager at Monarch. Students requesting accommodations must submit a fully completed Housing Application. The Housing Committee will assign and reserve a room only after a prospective resident has satisfactorily completed the following steps:

- submitted a completed housing application to the Auxiliary Manager;
- passed a criminal background check and been approved by the respective property;
- submitted a refundable security deposit;
- provided proof of renter's insurance to the Auxiliary Manager.

All approved Housing Applications provide approval for housing during times when the College is in session. Students who are not enrolled; ie. Spring semester, may not reside in student housing during that time. Applicants will be notified of the approval or denial of their application through their Bryant & Stratton College email account.

Housing Rates

Current room rates may be obtained by contacting the Business Office at (716)884-1920. The College reserves the right to adjust rates as may be needed. If a student withdraws or is administratively removed after the first day of classes, the semester room rate will not be refunded. Students should note that there is an additional charge to reside in housing during the spring semester.

Payment

A \$300 refundable payment must be submitted to the Business Office as part of the Housing Application process. This payment will be held as security deposit to cover any necessary repairs to the student's apartment and/or common areas. Any repairs (including carpet replacement) that exceed the \$300 maintenance fee will be charged equally to all residents of the room/unit.

C. Cancellation and Refund Policy

Housing payments are based on the assumption that a student will remain in off-campus housing for the full semester. If a student either voluntarily withdraws or is administratively withdrawn after the first day of classes, the student is required to give official notice of withdrawal in writing to the Housing Committee. If a student withdraws or is administratively removed after the first day of classes, the semester room rate will not be refunded. If a student withdraws from housing before check-in and start of the term, the security deposit of \$300 will be refunded less any damages.

D. Room Assignments and Changes

Room assignments are made by the Housing Committee in conjunction with the Auxiliary Manager at the housing complex. In addition, room changes during the year will have to be submitted to the Housing Committee and Auxiliary Manager for approval. The College reserves the right to consolidate rooms or move students to different rooms between terms, if necessary. Changes in room assignments will only be made in extreme circumstances.

Bryant & Stratton College is an equal opportunity educator and employer.

Bryant & Stratton College does not discriminate on the basis of age, race, ethnicity, national origin, color, religion, disability, sexual orientation, marital status, veteran's status, sex/gender (including pregnancy or pregnancy related conditions such as childbirth, false pregnancy, termination of pregnancy or recovery therefrom), perceived gender identity or any other legally protected characteristics ("protected characteristics") in the educational programs and activities it operates. This policy is in compliance with Title IX of the Educational Amendments of 1972.

E. Room Condition Form

Upon check-in, each student resident is required to sign a completed room condition form that details the current state of the room. By signing this form, the student resident is stating that all information on the room condition form is correct. Upon check-out, the condition detailed on the form at the time of check-in will be used to determine if any damages occurred during the student resident's time in the room. Additional charges will be based on the level of damage that has taken place. Failure to be present upon check out at the end of the semester may result in additional damage charges, if applicable.

F. Intent Forms

It is required that student residents of off-campus housing fill out a form regarding their intention to return for upcoming semesters. This information allows the College to properly allocate space at the property to better serve its student residents.

G. Departure from Off-Campus Housing

It is expected that when a student resident leaves Off-Campus Housing, all belongings are taken with them. Rooms and common areas should be free of trash and furniture owned by the student. All appliances should be in the same working order as when the student was admitted to the apartment. All keys and FOBs are returned to the housing complex. Students will be charged singularly (or as a group) for trash removal, furniture removal, carpet that needs to be replaced and/or broken appliances. Any fees assessed must be paid before returning for the subsequent semester.

Apartment rooms are equipped with an internet connection. Internet access is available in the common area of the complex. Residents are responsible to provide their own computer equipment

Each unit or property is equipped with a washer and dryer. Residents should report damaged or non-working machines to the Auxiliary Manager. Not all units will have laundry facilities in the apartment, however all properties will have an onsite laundry facility.

Mail Delivery

Mail is delivered to the housing complex and distributed to assigned resident mailboxes. Packages are kept in a secure room for resident pick-up. As a precautionary measure, it is suggested that any checks being sent from you or to you be sent via registered mail. It is the responsibility of the resident to make arrangements to ensure the proper delivery of your mail. Make sure when receiving packages; a return address and your name is on the shipment. If the property receives a package with no information, it will be returned to sender. When leaving off-campus housing for the summer and/or for extended periods of time, it is the responsibility of the student resident to ensure all mail is appropriately forwarded to any new address.

Security

The apartments may only be entered by the following: official Bryant & Stratton personnel, student residents, and registered guests.

To ensure this level of security, the following precautions are in place:

- Keys are only issued to student residents and personnel. Copying, sharing or giving a key to anyone may be grounds for removal from the apartment.
- Registered guests are required to be escorted at all times when present on the property.
 Allowing unregistered guest(s) on the property may result in removal from off-campus housing and loss of all semester room fees.
- When vacating an apartment, student residents must return all keys and any access FOBs to the Auxiliary Manager.

Hall Meetings

Periodically, the Housing Committee will conduct hall meetings for the benefit of all student residents. All student residents are expected to attend any mandatory meetings to keep current on important information.

Certain emergency repairs must be reported immediately to a staff member of the property. Repairs considered to be emergency repairs include:

- Any situation that compromises the health and safety of a resident;
- Plumbing;
- Electrical:
- Glass;

The following guidelines pertain to room entry and inspection:

- The College and each property owner's respective officials may enter and inspect all or
 part of a room when the resident consents, with or without the presence of the student.
 Students are required to respond when staff members present themselves for entry.
 Students are reminded that they are obligated to respond to any reasonable request of a
 College official acting in his/her official capacity.
- The College and each property owner's respective officials may enter and search a resident's room WITHOUT CONSENT and with or without the presence of the student

under the following conditions: 1) in order to perform maintenance tasks as requested by the student or as determined to be needed by either the College or property owner; 2) when it is believed that any student's health and/or safety could be at risk; 3) when it is believed that an illegal act or violation of College policy has been committed or is or may be in the process of being committed. Building or floor-wide searches may be warranted in order to investigate dangerous conditions. For example, if smoke is present, staff may investigate any rooms in the affected area in order to locate the source.

- Maintenance staff hired by or contracted by the College and/or the property owner may enter rooms in order to perform requested maintenance tasks. Resident-requested maintenance service or repairs, or maintenance or repairs as determined by either the College or property owner to be necessary automatically provides consent to enter the student resident's apartment, regardless of whether the student is present.
- The Housing Committee and/or property owner staff hired by or contracted by the College and/or the property may also enter rooms to perform routine and scheduled maintenance tasks and safety check, such as checking smoke detectors, inventorying furniture, inspection of windows). Students will be informed of these inspections at least 24 hours in advance.
- The Housing Committee and/or property owner staff will conduct periodic unannounced inspections to ensure that all residents are in compliance with fire and/or general safety policies of the property and/or the College. Additionally, all rooms will be entered in the event of a fire alarm to ensure proper evacuation from the building.
- The College will provide access to student rooms to any local, state, or federal authorities executing valid search warrants or possessing other judicial order. Students are reminded that law enforcement officials may request or compel entry to individual student rooms pursuant to applicable law or legal order.
- When possible, two staff members will be present when any room is entered. The
 Housing Committee or property owner staff will also escort federal, state, or local
 authorities executing warrants.
- In all cases, staff that enters a student resident's room have the responsibility to report any violations of policy or dangerous conditions that are in plain sight.

Room Décor

No alterations may be made to the assigned unit, corresponding apartment, common areas or other parts of the property.

The responsibility for the condition of these areas rests with the students. Eating and drinking will be restricted in certain areas. No overnight sleeping will be permitted in common areas. Theft or damage to any equipment or furnishings should be reported immediately to the Auxiliary Manager. Any damage in these areas which cannot be assessed to specific individual(s) will be considered common area damage and be pro-rated to everyone on the floor or building.

Footwear in Public Areas

For health and safety reasons, footwear should be worn in all lobbies, lounges, and public areas.

Parking

Residents with automobiles may park in an assigned parking space, as assigned by the Housing Complex.

Bryant & Stratton College assumes no legal responsibility for any loss of or damage to personal property of any student resident sustained during the course of moving into, living in or moving out of their apartment. Any such losses or damages should be reported immediately to the student resident's insurance carrier and then to the Business Office (for record keeping purposes only). It is advised that students in these situations also obtain a police report.

Pets

Quiet Hours / 24-Hour Quiet Hour / Noise Policy

Quiet study hours will be in effect from 10:00 p.m. to 8:00 a.m. on Sunday through Thursday. Consideration of others should be observed Friday, Saturday, and Sunday. A 24-hour quiet hour policy is in effect during finals week each semester. These hours supersede the regular quiet study hours.

Smoking

Smoking, of any kind, including vaping, is not permitted in any area of the apartment complex including student rooms, common areas, and parking lots. Note that the housing complex reserves the right to charge a deep cleaning fee of \$300 for any smoking.

Tampering with Thermostats

A heating and air conditioning system is in place to ensure your comfort during your time in the apartment. The misuse of and/or tampering with this system (e.g. dismantling, covering with a wet cloth, excessive hot water use etc.) will cause damages to the heating system, causing outages and difficulties for the entire building of the apartment complex. Due to the seriousness of this issue, if any unit is found to be causing damage to the system by misusing or tampering with thermostats (including covering the thermostat with a wet cloth, or holding flame near it) all members of the suite will be subject to dismissal from housing. If you feel that your heat is not working properly, please contact the staff on-site. Minimum required temperatures may be required by the housing complex to protect from freezing.

Storage

Storage is not available at the housing complex or at the College. Students are required to take all belongings out of their room when they vacate it. Any items remaining after vacating will be disposed of and forfeiture of your security deposit could result.

Trash

Each student resident is responsible for properly bagging and emptying trash in the trash room. Large items such as crutches, small appliances, clothing, sharp objects, should not be thrown in the trash shoots. Leaving trash outside apartment doors, in hallways or in common areas is prohibited.

Water / Snow Battles

Any type of water battle (including throwing snowballs) within the confines of the building and outside on properties is prohibited, as it presents a safety hazard and is damaging to the building facilities. Water coming in contact with the fire alarm system can activate the system resulting in an evacuation of the building.

IV. Security and Safety Procedures and Requirements

ID Cards

All Bryant & Stratton College students receive a student identification card. Student residents must carry their College identification card at all times while on the premises.

Keys / FOBs

Keys/and or FOBs are the responsibility of the student resident. If a student resident's key(s) or fob are lost or misplaced, the replacement fee must be paid for by the student resident to the housing complex. Keys and/or FOBs shall not be duplicated or given to any other individual. It is not a priority of College staff or property management to remedy lock-out situations. Student residents who have lost their key or FOB must contact the Auxiliary Manager of the housing complex as soon as possible.

Visitation and Guest Policy

There is a twenty-four-hour, in-house visitation policy for the residents of the property. Twenty-four-hour visitation means that residents of the building may visit other residents of the building anytime of the day or night, with the permission of the roommate.
